Re: United States v. Bilal Mohammed Siddiqui, Criminal No. CCB-19-0322

Judge Blake:

I write to report on the status of restitution in the above-captioned case. As previously indicated, the government is seeking restitution only on behalf of victim Jane Doe 1.

The parties have reached an agreement by which the Defendant will pay all Special Assessments due and an agreed-upon amount of restitution to Jane Doe 1 in the form of a check to be delivered to the Clerk of Court on or before March 29, 2021. Within 30 days of the delivery of the check, or notification to the government that the check has cleared, whichever is earlier, the government will file a consent motion for a restitution order in the amount of the Defendant's payment (less the Special Assessments) and the entry of an amended judgment reflecting the proposed restitution order. The government's understanding is that, once the Court enters the restitution order, the funds delivered by the Defendant to the Clerk of Court will be disbursed to the mother of Jane Doe 1, on behalf of Jane Doe 1, who is still a minor.

Accordingly, the government requests that it be permitted to file a consent motion for restitution on or before April 28, 2021, which is 30 days after March 29, 2021.

Respectfully submitted,

Jonathan F. Lenzner  
Acting United States Attorney
